OUR JING TEA SELECTION

JING offers definitive examples of Asia's greatest teas, grown in time honoured gardens, skillfully hand-processed then vacuum-packed at source for unmatched freshness.

JING is a young and innovative tea company run by Edward Eisler and his team. By building relationships with the world's finest tea farmers in China, India, Sri Lanka, Japan and Taiwan, JING hand sources not only the finest teas and herbal infusions, but also special, rare teas which are seldom seen outside their country of origin.

Our Jing Teas are served in elegant glass teapots.

JING ASSAM BREAKFAST **£3.00**

A comforting and full breakfast classic. A blend of whole leaf Assam teas with rich malty sweetness and vivid ruby coloured infusion.

ORGANIC DARJEELING SECOND FLUSH SUPREME **£3.50**

Sprightly, lively, sappy and refreshing, with an enticing combination of fresh grass, plant sap and woodland earth.

JING CEYLON

A rich, soft and full tea, with a gentle yet textured profile. The taste long and satisfying with an almost creamy wealth to it. **£3.00**

ORGANIC BOHEA LAPSANG SUPREME **£3.00**

Lively yet soft-textured and full, with great aromatic excitement: woodland smoke meets grain and dark spice. The finish is serene, poised, and almost sweet with little palpable grip but great aromatic harmony and power.

YUNNAN GOLD **£3.00**

Dark, rich, tangy and deep, with lots of tapered liquorice spice notes with rich fruit gravity. Some gentle tannic grip provides textural brightness and bite

JING EARL GREY **£3.00**

Refreshing and sweet, with lifted citrus charm freshening the structured tenacity of the Ceylon leaf. A perfectly focused classic.

SILVER NEEDLE WHITE TEA **£3.50**

Light, delicate, fruity flavours underpinned by cucumber and melon freshness yet surprisingly full textured with a stunningly velvety finish.

ORGANIC AND FAIRTRADE DRAGON WELL GREEN TEA **£4.00**

China's most famous green tea. Lively and garden-fresh flavours underscored by silky hazel-nut and liquorice-root complexity.
